UPPER MIDWEST REGION Shelby American Automobile Club

Have you been searching for a car club that represents your favorite set of wheels? If your favorite car is a Mustang, Shelby or any Performance Ford or Mercury, this is the place for you! We're a rapidly growing club devoted to the preservation and enjoyment of these great cars, and would like to see you be a part of our enthusiasm. Anyone with an interest in Ford, Mercury, Lincoln, Shelby and other Ford-powered automobiles and/or trucks is welcome. And members do not need to own any Ford-powered vehicles, just being interested is enough.

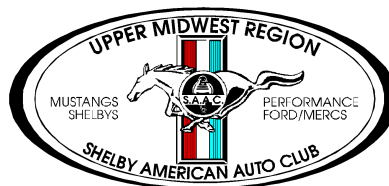

Other information about the club:

- Club dues are \$26.00 per year, renewing every July 1st. Membership covers the immediate family (spouse & children) and all are welcome to attend any club event.
- Monthly meetings are normally the first Monday of each month (except for when a holiday falls on that Monday). And guests are always welcome to attend our monthly meeting. See below for meeting info.
- The Pony Express, our newsletter, is published monthly and mailed to your residence. Cost of the newsletter and postage is included in your membership dues. The newsletter prints items of interest, Club schedules, minutes of the last Club meeting and articles about upcoming activities or subjects of interest.
- The club puts on two car shows a year - in June at Apple Valley Ford and in August at Apple Ford Shakopee.
- We have a winter party that is free to all members and their immediate families, and is typically held in January or February. The purpose of the party is to thank all of the members who volunteered over the prior 12 months, and just to gather and see everyone. All members are invited to attend - this is a great way to meet members since it is usually the largest gathering of the year.
- Some members like to gather for breakfast regularly - one on the South side at Starks on the 2nd Saturday of the month, and one on the North side at the Original Pancake House on the 4th Saturday of the month.
- We try to do at least two planned cruises - one in the spring and one in the fall. The spring cruise is usually an overnight event with an interesting route to get there. The fall cruise is typically a one-day event.
- Our Non Show Events Committee plans the cruises and also puts together other events like going to cruises or events by other clubs, race days up to Brainerd, and lots of other things to keep us busy..
